If coming from the New York area, take I-95 or I-84 to Hartford. This route avoids the urban traffic around Boston.

1. From Hartford, follow I-91 North to Wells River, VT.
(If coming from Southern VT, take I-91 North at a convenient interchange such as White River Junction ~ if using Route 4 in VT, take I-89 South for a short distance to reach I-91 north).
2. At Wells River, take Route 302 East across the river to Woodsville, NH.
3. Follow Routes 302 and 10 East to Littleton, NH.
4. At Littleton, take I-93 South to NH Exit 40, Route 302 East.
5. Take Route 302 East through Bethlehem, Twin Mountain, and Bartlett to Glen.
6. At the traffic signal at Glen, there is a left turn lane for Route 16 North toward Gorham. On your right you will see an Irving gas station and a Dairy Queen.
7. Turn left on Route 16 North. The Inn at Ellis River is about 2.7 miles north of this intersection, and about 1/2 mile north of the covered bridge leading into Jackson Village on the right (do not drive through the bridge).
8. Our driveway is on the left side of the highway with a lighted sign, just beyond a Sunoco station (the second gas station you will see after you leave Glen).
